BMS School of Architecture - [BMSSA] Recent Admission Alerts and Updates

The **BMS School of Architecture** was established under BMS Educational Trust in 2010. It is located in Yelahanka, Bangalore, India. It is affiliated with the council of Architecture and is in collaboration with well-known institutions like the Indian Institute of Remote Sensing (IIRS), Dehradun.

It offers undergraduate and postgraduate and Ph.D. programs in Architecture. The admission is done on the basis of

merit in the common entrance test (CET), Postgraduate entrance test (PGCET), and VRAT test for UG, PG, and Ph.D. programs respectively.

There are 500 students and over 50 faculty members in the school. The application can be submitted through online and offline modes.

BMSSA Bangalore Placements

BMS School of Architecture has a designated placement cell which helps to embrace the skills of the candidates and prepares them for the forthcoming interviews. The school has links to various firms across different sectors. This placement cell deals with the pre-placement talks, group discussion, workshops, structured module, industry interaction like programs.

For being eligible for the placement the student has to select the area of interest and this can be done once only. The areas of specialization are Interior, Landscape, and Architectural Environment.

There is a defined policy of the cell which has to be followed by the enrolled students. After being shortlisted by the firm and getting an offer letter the student cannot apply for any other interview.

BMSSA Bangalore Facilities

- **Infrastructure-** The college offers the highest quality of infrastructure with separate hostels for boys and girls, indoor and outdoor complex for sports, gym, fully functional computer lab, auditorium, wi-fi internet campus, hi-tech audiovisual enabled classrooms, and health facilities. Along with this canteen, the lift and stationery shop is also there on the campus.
- **Library-** A fully equipped library is present on the campus which is open from Monday to Saturday. To encourage the students to use the library ethically, the Best Library User Award is given every year to the winner.
- **Research Center-** BMSSA also has a research center known as the Center for Innovation and Design management.
- **Study Tours-** BMSSA annually organizes 10 days guided trip which may be National or International. This opportunity helps the students to understand the structural forms, architectural history, and cultural significance. Places like Gujarat, Chennai, Bangalore, Europe, Bhutan, Sri- Lanka have been covered previously.

[BMS School of Architecture - [BMSSA]](#)

Admission -

The college grants admission to the Masters of Architecture program only through the Post Graduate Common Entrance Test, also called PG-CET. A decent and satisfactory score will make you eligible to apply and maybe get admitted to the course.

Placement -

7 /10

The list of companies which come to our campus keeps changing every year, so students are suggested to create a portfolio and resume before hand so the further process becomes smooth. Our college guides us very well in that ,matter.
