Students get eligible after 7 th semester. Company placement begins from January. Last year companies like sanofi, pfizer, Johnson and Johnson, lupin, cadila, abott visited to the college provided the average package of 5.5lakhs which is very good after bachelors. As my batchmates planned to do master's m pharm because they want to go for research. But i would like to do job as I'm interested in MBA

Just one suggestion to management that they have to be little sensitive towards outstation students and have to eradicate language barrier. Rest all is best in terms of labs, faculty and infrastructure.
