Bachelor of Engineering [BE] (Electronics & Telecom Engineering)

Batch : 2015

6.5

STUDENT SATISFACTION RATINGS

[Great college life.](#)

Admission -

6.5 /10

As college is in rural area so it might be difficult for college management to arrange every facility in the college but i think college management is trying their best for same i wish there will be more experienced faculty i college soon. Also there must be at-least 2-3 campus drives in college for the passed out students.
