### Founder's Message

The profession of pharmacy plays a significant role in raising the general health standards in the country with improved life expectancy and better quality of life with the use of newly developed medicines to control and eradicate several life threatening diseases.

In fact, pharmaceutical industry today needs professional who can create miracle in the health care system using their expertise. This inspired me to enter into professional education and considering the need of a pharmacist in the modern society. Gahlot Institute of Pharmacy came into existence in 2006. With an extensive research for two years magnificent edifice was created amidst of pharmaceutical

industries. Every care and through has been given to instill into it, the requirements that are vital to create an institution of world class standards.

I am pleased to welcome you all to this institution for a mutually rewarding interaction.

Dr. Om K. Gahlot  
Founder and Chairman

### Principal's Message

Our college has a lively and encouraging academic environment in which faculties and students interact to the fullest. All of us are connected by an interest in field of pharmacy striving hard to serve the society by educating and implementing research to prevent and treat disease. The new facility is well on the way of helping future pharmacists learn in an innovative way. I, along with my faculty intend to build a concrete foundation in students which will encourage them to achieve success in the field of pharmacy which in turn will help the community.
