STUDENT SATISFACTION RATINGS

[My Review](#)

Admission -

5.5 /10

The college does not provide placements in our batch. Some few years back, the college was best in our city. Many companies visited our campus for recruitments. But, nowadays placements are totally Nil, and not only in the mechanical branch in other branches also. There was a dedicated placement section with an experienced person who worked as an HR once. But he resigned, and the placement section closed due to which we did not got placements.
