[Very nice experience. good time](#)

Placement -

8 /10

The placement program was good, they have teachers for preparing for students for placement, they guided us and helped us to get placed.

Course Curriculum -

It has utu's professional curriculum and is good and relevant. They follow the curriculum decided and maintain integrity. This was really helpful and was good to build one's Career. Yes, the industrial visit was used to be there and the timely audit was also done.

[Education system is not good. Faculties behaves likes a school teacher.](#)

Admission -

2.5 /10

I have a lots of negative remarks about my college. They will close the gate of college at lunch the & not you allow to go out for lunch. They will force you to do lunch in college canteen because in there canteen students not go lunch because food isn't good.

College of dehradun

Admission -

6.5 /10

Overall college is average but food does not give good. In daal, there is only water. The chapati is not to eat. faculty is good and campus infrastructure is good. Every day some activity or program are held in college like workshops, blood donation camp, etc
